

## 2008 Obedience Results

The end of the year "Top Obedience Dog Award" is given at each obedience level and computed as follows: a point value is assigned to a dog's placement under each of the three following point systems - Average scores, Delaney System, and Shuman System. A typical point assignment for Average Scores and the Delaney System would be: 1st place = 10 points, 2nd place = 9 points, and so on. The Shuman System differs. It assigns a point value for each qualifying score. Although the Shuman System is not normally used at the Novice Level because of the time limit Novice Dogs are under once they have their three qualifying scores, it is used in the Top Dog Award to allow for consistency of scoring. The point values accumulated by a dog under each of the three systems are totaled for the year. The dog with the highest total in each of the levels is awarded that year's Top Dog for that particular level. The top ten Beardies in each level are listed below along with their scores. Due to fewer dogs competing in the Open and Utility classes, the top ten ranking is proportionately less. This year we had a tie for first place at the Utility level.

Each year's tabulations begin on January 1 and include qualifying scores through December 31. All statistics necessary to perform these calculations are obtained from the monthly AKC Awards Catalog. In 2008, 17 Beardies qualified at the Novice level, 10 qualified at the Open level and 4 qualified at the Utility level. Fourteen Beardies and their handlers earned an obedience title in 2008.

Only members of the BCCA are eligible to receive annual BCCA Obedience Awards, which are presented during the Awards Banquet at the National Specialty in the fall.

The proud, the few, the people who compete in obedience with a Beardie!

Congratulations to all exhibitors!

*Maryann Szalka*

BCCA Obedience Chairperson

2008 "Top Dog" Obedience Award Winners are:

### **Novice**

CH Llanddona Couer De La Mer CD RE HT NAP NJP

Owners: Jeffrey Wong & Alison Jayne
